## ASCS TODAY

By Tom Conrad

**Flue Cured Tobacco News** - Market conditions were firm on Old and Middle Belt flue-cured tobacco markets during the eighth week of auctions, reports the Federal-State Market News Service. Better quality offerings and steady to slightly higher grade prices established a new record-high general average. Volume was heavy and deliveries under loan very light. Producers' sales opportunity in this belt this week is 27,187,000 pounds.

Gross sales by states follow: (Week ending Sept. 13, 1979. Virginia, 9,187, 345 pounds, average $151.58; North Carolina, 20,065,167 Pounds, average $148.30 with a total of 29,252,512 Pounds, average of $149.33. Season Through Sept. 13, 1979 Virginia, 45,173,161 Pounds, Average $138.30; North Carolina, 113,566,770 Pounds, Average $136.99 with a total of 158,739,931 Pounds, average $137.36.

A gain of $1.56 per hundred pounds occurred in the general average over the previous week's figure. Last year, 162,321,449 pounds had been auctioned for an average of $127.05 per hundred.

Resales totaled 2,153,105 pounds for the week, and 11,416,087 pounds to date.

The steady climb in grade prices in recent weeks eased up the past few days. Although a majority of the grades reflected small gains of $1 to $2 per hundred pounds over previous levels, most of the grades representing the heaviest volume averaged the same. The few losses recorded were concentrated in unripe variegated leaf grades.

Leaf marketings dominated sales, accounting for about 75 percent of the volume. Cutters, lugs and primings dropped to 11, 10 and 2 percent, respectively. About one-half of sales were designated fair quality.

Loan receipts comprised only 0.4 percent of the week's gross sales. The season figure declined to 3.0 percent. For the same period last year, the Stabilization Corporation held 4.8 percent.

The U. S. Crop Reporting Board set the crop estimate for this type at 353,825,000 pounds in its September release, up 1,375,000 pounds compared to last month's projection. The all flue-cured figure now stands at 1,038,396,000 pounds, down 4,225,000 pounds.

**No Wheat Set-Aside For 1980** - Wheat producers will be eligible for farm program benefits in 1980 without setting aside or diverting acreage. However, only those who plant no more wheat than was planted and set-aside in 1979 will have the full target price protection.

The no set-aside decision was not intended to encourage all-out production. Farmers are urged to follow good farming practices in planting their 1980 wheat acreage. Acreage not raditionally used for crop production will not be added into a producer's normal crop acreage (NCA) for subsequent years.

The 1979 planted acreage includes credit for set-aside, haying and grazing acreage for payment, prevented planting, and voluntary acreageredeductions. The 1980 wheat loan rate will be up 15 cents a bushel to $2.50 and the target price is expected to range between $2.95 and $3.20 per bushel. The 1979 target price was $2.98 but because of the 20 percent required set-aside, it was adjusted to $3.40. The final target price will be announced by March 15.

The national program acreage for wheat for 1980 will be 70 million acres, up from 67.6 million last year. The national acreage is the estimated number of harvested acres that Secretary Bergland determines will produce enough wheat for domestic use, for export, and to maintain an adequate level of carryover stocks.

About 58 Appomattox County farmers signed up for the 1979 wheat program.

**Fire-Cured Tobacco - USDA** has announced the proposed schedule of grade loan rates for 1979 fire-cured tobacco. The average rate of 90.4 cents per pound is about 6.9 percent higher than 1978 level. The proposed rates range from $.49 to $1.39 per pound as to tobacco quality. To discourage production of lower quality grade of tobacco designated "N2", USDA has proposed that this grade not be supported for the 1979 crop.

**Storage Structure and Drying Equipment Loans** - Grain producers are eligible for loans to install grain bins and/or drying equipment and silos. This also includes solar drying equipment. Loans are also available for making needed improvements on existing structures. Some terms of the loan program are: 1. Up to 8 years to repay the loan. 2. Financing - 85% of the cost. 3. Annual interest rate of 10.5%. If you need storage space and/or drying equipment, contact the ASCS office.

The Times-Virginian regrets that constantly increasing costs, particularly for newsprint and postage are forcing an increase in our yearly subscription rates.

Our last increase was in October of 1978. Since then the cost of newsprint has gone up twice, from $320 per ton to $345 per ton.

Postage rates for newspapers, as well as magazines, have increased dramatically in recent years. These increases have totalled 413 per cent since 1971. The most recent increase was 22 per cent the first week of July.

Other operating costs have increased as well, leaving the Times-Virginian no choice except to ask our readers to share with us these additional expenses.

For our local subscribers, the annual rate of $7.50 means that the actual cost of each issue is less than 15c.

We share with our readers a great dismay at these, and many other price increases. We find no alternative but to ask the continued support and understanding from our readers, as we endeavor to produce the best newspaper possible at the most reasonable price.

Mr. and Mrs. W. A. Almond

### Celebrate 40th Anniversary

Mr. and Mrs. W. A. (Alfred) Almond of Appomattox were honored on September 2, 1979 with a reception in celebration of their 40th wedding anniversary.

The reception was given by the children and their families, Mr. and Mrs. James Almond of Salem; Mr. and Mrs. Jerry Kendrick of Appomattox; Mr. and Mrs. Wayne Smith of Rustburg; and Mr. and Mrs. Tim Ramsdell of Appomattox.

Mr. and Mrs. Almond have four children and eight grandchildren.

*MRS. CURTIS HARRISON*
*the former Miss Carol McFaden*

### Wed in Double Ring Ceremony

The marriage of Miss Carol McFaden to Custis Page Harrison took place Saturday, September 15, 1979, at Memorial United Methodist Church in Appomattox.

Rev. St. John Coleman, pastor of Evergreen Christian Church in Tyro, great-uncle of the bride, officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Robert Owen McFaden of Appomattox and the groom is the son of Mr. and Mrs. Thomas W. Harrison of Charlotte County.

Given in marriage by her father, the bride wore a white gown of polyester organza and featured a scoop neckline with short angel wing cape sleeves. Alenceion lace appliques and pearls decorated the empire bodice and sleeves. Appliques also decorated the skirt and attached chapel length train. Her matching fingertip veil was decorated at the cap with Alencon lace and pearls and edged in Venise lace flowers. The bride carried a colonial nosegay of yellow rose buds and baby's breath.

Miss Carol Jones of Spout Spring was maid of honor. Other attendants were Miss Janet McFaden, Miss Frances McFaden and Miss Bobbie McFaden, all of Appomattox and sisters of the bride. They wore floor length gowns of mint green Qiana fashioned with split cape sleeves, a draped bodice and a pleated skirt and white hats trimmed with green ribbon and lace. The attendants carried nosegays of yellow and white pom poms and baby's breath. Miss Robin Whitehead of Appomattox was flower girl. She wore a floor length gown of white eyelet with a ruffled skirt and trimmed with green ribbon and lace.

Mr. Page Clagett of Washington, D. C. was best man. Groomsmen were Mr. William Harrison of Greensboro, North Carolina, Mr. Patriek Harrison of Prospect, Mr. Lee Harrison and Mr. James Harrison, both of Cartersville and all brothers of the groom. The groom wore a white tuxedo and the groomsmen wore tuxedos with white jackets and black trousers. Carter Harrison of Cartersville, nephew of the groom, was ring bearer. He wore a green suit.

Miss Debbie Rush of Appomattox was organist. Mrs. Louise Lawson of Appomattox directed the wedding.

After the ceremony, the bride's parents entertained with a reception at Falling River Country Club in Appomattox.

After a wedding trip to Williamsburg, the couple will live in Appomattox.

The bride is a graduate of Appomattox County High School, attended Central Virginia Community College, and is employed by Dr. S. R. Lawson of Appomattox.

The groom is a graduate of Hargrave Military Academy, attended Lynchburg College, graduated from Keysville Community College and is employed by Lawson Ford, Inc. of Appomattox.
